What to Bring/What Not to Bring List

Student Behavioral Expectations at IslandWood To be Read by Students & Parents

- ❑ Each day we will be outside. It is important that each time we leave the lodge we are properly prepared with the required clothing and equipment.
- ❑ Each of us needs to bring rain gear, a water bottle and a backpack to field study every day. If you need these, IslandWood has them to borrow.
- ❑ We will be away from home overnight. We expect all students to be independent and responsible for their own belongings and behavior.
- ❑ The IslandWood experience requires all of us to be in the spirit of cooperation. We do not tolerate harmful behavior towards one another, either physical or verbal.
- ❑ Each day we need to be ready with journal and pencil to record observations and reflections.
- ❑ Group safety and positive experience require our attention to the adult in charge, whether it is a classroom teacher, the IslandWood instructor, or the person supervising our dining room table.
- ❑ There is no swimming in the pond, estuary, or harbor.
- ❑ There is no leaving the campus boundaries.
- ❑ Visits from family members or friends are not allowed.
- ❑ There is no candy, gum or food (except for sack lunches on Monday) allowed on campus. IslandWood will provide meals and snacks.
- ❑ Cell phones nor other personal electronic devices may be brought to IslandWood.
- ❑ Students are not allowed in the sleeping lodges without an adult. We agree that:
 - Personal belongings of others will not be touched without the owner's permission.
 - We will not enter another's room without permission.
 - Lights Out and Quiet Time are from 9:30 pm until 7:00 am.
- ❑ We will respect the property at IslandWood. Property includes both manmade elements and the natural environment. We will leave it as we found it for the enjoyment of the next group.
- ❑ Our behavior and our voices will allow others to learn, to be safe, and to enjoy the learning experience.
- ❑ We want everyone to stay and be safe at IslandWood. We will, however, send students home for violating any IslandWood rules or their school's rules. If a student is sent home, the parents will be contacted. The school will not receive a refund.

A Letter to Parents from IslandWood's School Overnight Program Staff

Dear Parents,

We are pleased that your child will be spending time exploring and learning with us at IslandWood. Your child will be staying with us for four days, making discoveries about the natural world and our relationship to it. We are currently working with your child's teachers to make this a wonderful learning experience, one that your child will always remember.

While visiting IslandWood, your child will be living in a heated lodge. All students will share a room with three or four classmates, sleep in bunk beds, and share a bathroom with roommates only. All students have a night light next to their bed that they can turn on or off whenever they wish (and it won't disturb their bunkmates). The teacher and chaperones will sleep at the end of each hall in the same lodge as your child.

A healthy breakfast and dinner will be served in our dining hall where your child will take a turn setting tables, serving the meals, and then cleaning up. Your child will eat at the same table with the same dining group for the whole week, developing new friendships. Lunches will be carried with your child each day and eaten picnic-style out on the trails.

Each day your child will attend classes taught by an IslandWood instructor. Your child's days will be spent mostly outside while exploring the ecosystem to better understand natural systems, working in a team, problem solving, and stewardship of places and people. ***Your child will always be supervised by an adult.***

There are a few things that you can do to make sure that your child has the best time possible while staying with us:

- ❑ Help your child pack for the trip using the attached list, "What to Bring! (And What Not to Bring)."
- ❑ Make sure your child comes prepared for wet and/or cold weather. If students are prepared, they will have a wonderful time.
- ❑ Fill out, sign, and return the enclosed IslandWood Release form promptly to your child's teacher. Include any information on the form that you think would be helpful for us to know about your child in advance, including any dietary or medical information.
- ❑ Remind your child that this is a place where they will be learning almost nonstop, so have them bring their curiosity, enthusiasm, and excitement about nature, people, and the world around them.
- ❑ Read over the enclosed Behavioral Expectations at IslandWood. Make sure your child is aware of the rules at IslandWood.

We are looking forward to your child's visit!

Frequently Asked Questions

What is the phone number at IslandWood?

The phone number is for emergency use only. To reach the IslandWood main office, call: **206-855-4300**. Office hours are 8:30 am-5:00 pm on weekdays. For after office hours EMERGENCY ONLY, call the main office number above and the message system will prompt you to leave your contact information. The system will then page a staff member who will return your call as soon as possible.

Will my child get plenty of food to eat?

Yes! All children receive three good meals each day. These meals are served family style and students can go back for more if they are still hungry. We also provide two snacks in the field during the day. Hungry children are not able to concentrate on learning, so we make sure they are well fed.

What if my child has special dietary needs or food allergies?

If your child has special dietary needs (for cultural or religious reasons) or food sensitivities (like dairy intolerance), include this information in the dietary section of the IslandWood release form. Our kitchen staff can accommodate most special dietary needs. If your child has any food allergies, complete the **allergy** section of the IslandWood release form and attach your doctor-completed Food Allergy Action Plan or your child's School's Health Plan.

What will my child learn?

We have listened carefully to teachers, parents and administrators in designing our [curriculum and activities](#). The content is strongly aligned with national and state standards for academic excellence and achievement: the Next Generation Science Standards (NGSS) for Ecosystems and Washington State's Integrated Environmental and Sustainability Learning Standards (ESE). We guarantee that, while the children are having fun outdoors, they are also learning!

What should my child bring?

Use the enclosed "What to Bring, What Not to Bring" as a guide. Please *help* your child to pack and do not pack for your child. It is important for children to know what they have brought so they can be sure to bring everything back home and not get it mixed up with their roommates' belongings. Also, by involving them in the packing, the responsibility involved with being away at camp can begin at home.

What if my child doesn't have something he/she is supposed to bring?

If your child does not have something that is needed, please contact your student's teacher. The teacher will work with IslandWood staff to accommodate your child's needs.

What do our fees cover?

Fees help to cover tuition, food and lodging, and equipment use. IslandWood has provided scholarships to schools that demonstrate need. Communicate with your child's teacher if you have questions about obtaining scholarship support.

Will I be able to visit my child at IslandWood?

Visitors, including family members, are not allowed. We are a private school and our campus is closed to visitors for the protection of all of the students. Everyone who works at IslandWood has gone through security clearance and wears a badge at all times.

Will my child be able to call home while at IslandWood?

The students are not allowed to bring cell phones or to use IslandWood phones to call home. In the case of emergency, a staff member will contact you immediately. If your child is experiencing homesickness, your child's teacher will make the decision as to whether or not he or she is allowed to call home. For many children, the overnight experience is as much of a learning experience as the curriculum. Usually if they can get through the first night with comfort and distraction from their teachers and chaperones and classmates, they are able to complete the four days away from home with great pride.

What to Bring, What Not to Bring (Student Version)

PLEASE MAKE SURE your child has adequate cold-weather clothing, including thick, warm socks, long underwear, and sweaters. OUR CLASSES GO ON, RAIN OR SHINE!
