

JUNE NEWS AND EVENTS

ANNOUNCING FALL 2021 PROGRAMS

Even though summer is just beginning we're excited about our upcoming fall programming to engage students in science knowledge, build connections, and foster curiosity and care for the natural world.

Click on the icons below to learn more about each of the programs, and if you're a teacher, sign up to get notified when registration opens!

Teacher Professional Development

THANK YOU FOR A WONDERFUL DINNER IN THE WOODS!

We're thrilled to announce that we raised \$750,388 at our virtual Dinner in the Woods event last month! Thanks to the incredible generosity of our donors - including many of you - we'll be able to continue reaching thousands of students and educators each year with education programs that foster deeper environmental awareness and care for our communities and the planet. We could not be more grateful!

We shared several videos during the event you won't want to miss, including a look into one of the ways we build community in our Bainbridge youth campus programs, a guided nature observation activity from Senior Faculty Instructor Ray Cramer, and our vision of a better future as we emerge from the pandemic. Check them out here!

CELEBRATING EXCEPTIONAL EDUCATORS

Last month, we held a virtual celebration to honor this year's recipients of the Patsy Collins Award. Offered in partnership with Seattle Foundation, the award recognizes K-12 Washington teachers who are engaging students in equitable project-based learning that inspires environmental awareness and stewardship.

Meet the recipients and learn more about their extraordinary work here ->

MAKE WEDNESDAY NIGHTS EASIER (AND MORE DELICIOUS!) THIS SUMMER

With a constantly rotating menu, What's for Dinner Wednesday is your summer-meal secret weapon. We offer a variety of picnic-ready dishes each week, from fried chicken, to pomegranate-glazed lamb skewers, to quinoa tabbouleh, and so many more!
