

MARCH NEWS AND EVENTS

In case you missed it, we shared this "thank you" message on Valentine's Day. Thank you for all you do to inspire more love of nature and to support IslandWood!

FROM THE GARDEN

We've been busy planting seeds with students in the greenhouse. In this blog post, we share 9 tips for planting with kids!

The Washington State School for the Blind recently attended our School Overnight Program, as they have for the last few years. Read this beautiful letter we received from Emily, a science teacher at the school, and an alum of our graduate program ->

WASHINGTON STATE SCHOOL FOR THE BLIND VISIT

A BLAST OF SUMMER

SUMMER CAMP

REGISTRATION IS OPEN

IslandWood Summer Camp registration for our Bainbridge Island campus and Brightwater Education Center in Woodinville are now open. We have scholarships and after care options!

COMMUNITY EVENTS

DISCOVER WASHINGTON'S FOSSILS

Sun · Mar 17 · 2 - 4pm

Renowned paleontologist Elizabeth Nesbitt and author David Williams will share insights from their new book, "Spirit Whales and Sloth Tales," followed by a Q&A. Learn about the state's incredible paleontology, from fossil discoveries to their connection to climate change and extinction. Enjoy fun activities like making a shark tooth necklace and digging for fossils! A local collector will even showcase their personal collection, featuring fossils found on Bainbridge Island!

Tickets

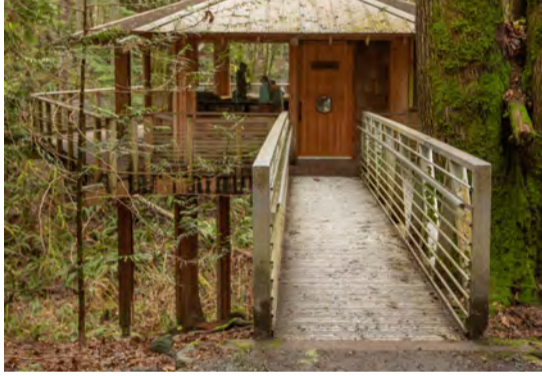

Just added!

PRESTON SINGLETARY FEATURED AT ISLANDWOOD LECTURE SERIES

This past weekend, former IslandWood board member and world-renowned glass artist, Preston Singletary was featured in our Lecture Series. It was such a great afternoon, and if you missed it, you can check out a video of the event here! Preston, as always, was amazing.
